Dear Parents / Guardians,

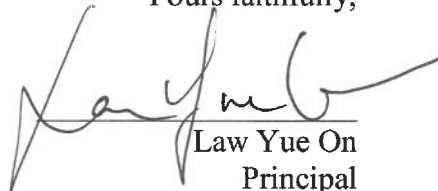

Notice on Support for Non-Chinese-Speaking Students and Collection of Personal Information

According to Education Bureau (EDB) Circular No. 4/2026, our school has been provided with additional funding for the 2026/27 school year. Our school is committed to ensuring that Non-Chinese-Speaking (NCS) students enjoy equal opportunities to learn Chinese alongside their Chinese-speaking peers, and to making full and timely use of the additional funding for designated purposes (i.e., enhancing support for the learning and teaching of Chinese for NCS students and building an inclusive school environment, including strengthening communication and home-school cooperation with parents of NCS students). In general, the policy supports students of different ethnicities who learn Chinese as a second language (i.e., students whose spoken language at home is not Chinese) and pursue the local curriculum in schools.

To effectively identify students in need of support and arrange appropriate educational assistance, parents/guardians are kindly requested to specify the language predominantly spoken at home by your child on the reply slip below. If you have any questions about the above measures, please get in touch with Ms. Wong Wing Man or Ms. Fung Yi Yi at 2320 4557.

Yours faithfully,

Law Yue On
Principal
